- B. Employees contracted for ten or more months each year shall be eligible for twelve months' benefit coverage under this policy. ARTICLE IV: SICK LEAVE, TEMPORARY AND EXTENDED LEAVES OF ABSENCE

I. PERSONAL ILLNESS

- A. Twelve (12) days of absence per contract year shall be allowed for personal illness each school year, without pay deduction, for 10-month employees and fourteen (14) days of absence per contract year shall be allowed for personal illness each year, without pay deduction, for 12-month employees.
- B. If less than the allotted number of days of sick leave are used during a school year, the balance of unused time shall be accumulated without limit.

- D. Payment for absence beyond accumulated days provided for in "A", "B", and "C" above will be given consideration by the Board through the recommendation of the Superintendent.
- E. In all absences under this section exceeding five consecutive work days, the employee shall file a physician's certificate with the administrator to whom that employee is responsible.
- F. In Worker's Compensation cases, whenever any employee is absent from his post of duty as a result of a personal injury caused by an accident arising out of and in the course of his employment, the employer shall pay to such employee the full salary or wages for the period of such absence for up to the calendar year without having such absence charged to the annual sick leave or the accumulated sick leave. Salary or wage payments shall be made for absence during the period the employee received or was eligible to receive a temporary disability benefit. Any amount of salary or wages paid or payable to the employee pursuant to this section shall be reduced by the amount of any Worker's Compensation award made for temporary disability.

- B. Five days will be allowed for contingency absences during the school year. Any unused days will be added annually to the employee's accumulation of days for separation days upon termination of employment (See Article IX). Days accumulated under this provision are irretrievable for any purposes other than separation pay.
- C. Absences under this category include:
 1. Urgent personal family business which can only be transacted or conducted during the time that school is in session warranting absence from duty.

5. Care of an ill member of the family only when no one else is available.
6. College visitations, whether for transportation, parent's day, or other purposes will be judged individually with an emphasis, as a deciding factor, on the urgency of the trip.

I. TUITION REIMBURSEMENT

- A. The Board of Education will budget \$1,000 for the payment of tuition for college and equivalent courses. Such payment will be made upon presentation of proof of successful completion of courses which have been approved in advance by the Superintendent. Distribution of the \$1,000 tuition fund shall be for approved courses on a first-come, first-served basis and with exceptions at the discretion of the Superintendent. (Employees on leave under the provisions of Article VII, and whose leave requires them to pay tuition costs, are eligible for tuition reimbursement only at the lowest priority level and only after any other employee's approved request has been committed and only to the extent that monies are unexpended from the amount stated in this article.)
- B. Maximum payment for an approved course will be for \$350. limited to one course per person; however, if the amount of funds available permits, employees may take additional approved courses for reimbursement on a first-come, first-served basis until the funds are exhausted. Courses for which the Board has paid tuition may be applied to advanced standing on the salary schedule.
- C. The Administrators' Association will submit to the Superintendent by October 15th, a proposal for a professional development plan for the contract year. The cost of this plan, subject to Board approval, is not to exceed \$3,000.
- D. The Board agrees to provide \$600. per member for membership fees and services provided by professional organizations. The organizations are chosen by the employee. Professional publications, programs and materials may also be requisitioned up to the dollar limit provided in this section.

ARTICLE VII: LEAVES FOR EDUCATIONAL IMPROVEMENT

- I. Leaves under this article are designed to promote professional improvement, expand professional competence and to provide administrators with the opportunity to study, observe and/or evaluate educational programs so as to benefit the general efficiency of the Livingston School System.

- A. Observations, Workshops, Seminars, Conventions, Conference and Other Approved Educational Programs

The Board of Education budgets funds for these types of leaves. Applicants are to apply through the Assistant Superintendent for Personnel for these leaves. They are subject to the approval of the Superintendent. Application for the above should be made as far in advance as possible.

- B. Sabbaticals

All eligible administrators shall have the privilege of selecting one of the following two plans:

1. Plan A

A sabbatical leave of absence for one year at two-thirds pay after completion of 7 or more years of full-time continuous satisfactory service. This two-thirds shall be of the employee's own salary or the maximum salary listed in the M+32 column of the Teachers' Salary Schedule, whichever is the lesser (not including the doctoral differential).

2. Plan B

A sabbatical leave of absence for one (1) year at full pay after the individual has completed at least eleven (11) years or more of full-time continuous satisfactory service in the system. No sabbatical leaves for travel will be granted under this plan.

The type of study and length of time devoted to a sabbatical leave shall be developed between the applicant(s) and the Superintendent.

ARTICLE VII: LEAVES FOR EDUCATIONAL IMPROVEMENT (Cont'd.)

Should such a study be made during a time when the administrator is not at work under contract (i.e., administrators under 10-month contract during the summer months), a stipend or expense allowance, or both, agreed upon with the Superintendent and approved by the Board of Education may be paid. A sabbatical leave for the purpose of meeting the residence requirement for an approved doctoral program at an accredited university may be granted for one full year, or less, as needed.

These types of leaves shall be available once every third year; but, if the options are not taken during a year for which administrators are eligible, the options remain available until taken and the two-year hiatus shall apply thereafter again. It shall be further agreed that any full-year leave, the doctoral leave included, shall obligate the recipient to return to the Livingston Schools for two years of service after completion of the leave. In addition, a satisfactory account of the year's experience, in writing, shall be forthcoming.

During this period of study, other than a leave for a doctoral program, approved expenses shall be paid by the Board of Education. If the study is made during the time the administrator is at work under contract, his salary shall continue at the contract rate.

II. APPLICATION FOR SABBATICAL LEAVE

Application for a sabbatical leave towards completion of a doctoral program shall be made to the Superintendent on or before December 1 of any year. If approved, such leave shall begin officially during the school year immediately following in accordance with the official school calendar. Applications for all other sabbatical leaves may be made as far in advance of the scheduled study as possible.

ARTICLE VII: LEAVES FOR EDUCATIONAL IMPROVEMENT (Cont'd.)

III. STATUS OF TENURE AND PENSION

The period of all approved sabbatical leaves shall count as regular service for the purpose of retirement planning. Tenure rights shall not be impaired and the employee shall advance to the usual step on the salary schedule. Fringe benefits for which the administrator is entitled will continue at Board of Education expense during the approved educational leave.

IV. REINSTATEMENT

At the expiration of the sabbatical leave, the employee shall be reinstated as a full-time employee of the Livingston School System.

V. FINAL REPORT

The employee will submit a written report to the Superintendent which will be reprinted in the Superintendent's monthly report. The report will relate the ideas gained, and subsequent benefits expected therefrom, and will be submitted no later than 90 days after the beginning of the period immediately following the sabbatical leave.

ARTICLE VIII: GRIEVANCE PROCEDURE

I. STATEMENT OF PURPOSE

An employee is encouraged to resolve that employee's grievance through informal discussion between the relevant parties at the lowest possible levels. If the formal grievance procedure is initiated, it shall not be mandatory to continue through all of its stages if a satisfactory resolution is achieved at lower levels. The Association shall have the right to grieve those items that are concerned with Association rights and privileges.

II. DEFINITION OF TERMS

- A. Grievance: A grievance shall mean a complaint by an employee that there has been an alleged misinterpretation, misapplication or violation of any of the provisions of the contract (to which this grievance procedure is annexed) or of any policy or administrative decision.
- B. Employee: Said term shall include any regularly employed individual, whether full or part time, receiving compensation from the Board. It shall not include non-contractual employees such as substitutes; nor shall it include, in their capacity as such, employees of collateral ventures of the Board such as the summer school.
- C. Exclusions: However, the term "grievance" shall not apply to any matter for which (1) a method of review is prescribed by law or State Board Rule; or wherein (2) the Board of Education is without authority to act; or wherein (3) a complaint relates to the non-renewal or termination on notice of a non-tenured employee's contract.

ARTICLE VIII: GRIEVANCE PROCEDURE (Cont'd.)

III. GENERAL PRINCIPLES

- A. No employee participating in the grievance procedure herein outlined, whether as a party or a representative, shall be subject to coercion, restraint, discrimination, or reprisal in his employment by reason of such participation.
- B. Except at Stage III, all discussions, meetings and conferences shall, in so far as practicable, be conducted during normal daytime hours and without undue interference with the parties' regular duties; maximum efforts shall be made to avoid involvement of students in any phase of the grievance procedure. It is to be expected that Stage III proceedings will ordinarily be conducted in the evening at executive sessions of the Board of Education.
- C. The aggrieved shall have the right to be represented at all stages of the procedure, by himself/herself, by two (2) officers or designees of the employee unit, and/or by counsel. When an aggrieved exercises this right, written notice must be given three (3) days in advance.
- D. Stipulated times provided for herein are intended as outer limits to be strictly adhered to except in cases of the closing of school or extenuating circumstances such as illness or personal emergency in which events the aggrieved party and the employee's superior at the then pending stage of the grievance shall mutually agree to appropriate extensions of time.
- E. This procedure generally provides for three stages of action. In the case of most employees, it will operate at all stages. However, in the instance of some employees and by reason of their position within the organizational scheme prevailing in this district, Stage I in the procedure may be eliminated.

ARTICLE VIII: GRIEVANCE PROCEDURE (Cont'd.)

III. GENERAL PRINCIPLES (cont'd.)

No employee shall pursue a formal grievance with a superior who is also a member of the same unit. If such is the case, the employee shall commence the grievance at the stage determined by the position of the employee's immediate superior. The employee shall then follow the procedure as outlined herein.

- F. This grievance procedure and the administration hereof shall, in all respects, comply with the laws and statutes of the state of New Jersey and with the Rules and Regulations of the State Board of Education, and to the extent that any provision of this procedure or the administration hereof in any given case conflicts with any said law, statute, rule or regulation, the conflicting portion of this procedure or the administration thereof in the particular case shall be null and void.
- G. Determinations at the Stage II level may be made by an Assistant Superintendent provided both the aggrieved and the Superintendent mutually agree, in advance, to accept a hearing and determination by such an Assistant Superintendent.
- H. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

IV. STAGE I

- A. An employee having a grievance shall present it in the first instance to that employee's immediate superior within thirty (30) school days after the occurrence of or the awareness of the event or events giving rise to the same.

ARTICLE VIII: GRIEVANCE PROCEDURE (Cont'd.)

IV. STAGE I (cont'd.)

- B. The presentation may be oral; however, the immediate superior shall be specifically advised that the employee is invoking the formal procedure provided for herein. The employee and the immediate superior shall attempt to resolve the grievance promptly, and in any event, the immediate superior shall advise the aggrieved of the determination within five (5) working days from the date of this original presentation of the grievance. The determination will be in writing.

V. STAGE II

- A. In the event that the aggrieved is not satisfied with the determination arrived at in Stage I, that employee shall file a written petition with the Superintendent of Schools. This petition shall be filed within fifteen (15) working days from the receipt of notice of the determination arrived at in Stage I. The aggrieved shall deliver a copy of the petition to the administrator who made the determination at the Stage I level. Failure to petition within the said fifteen (15) working days shall be deemed to constitute an abandonment of the grievance and an assent to the Stage I determination.
- B. The petition to be filed shall contain at least the following:
1. A brief description of the grievance and the essential facts relating thereto including an identification of the provisions of the contract, board policy, or administrative decision which it is alleged have been misinterpreted, misapplied or violated.
 2. The dates upon which the aggrieved first commenced Stage I proceedings and received notice of the Stage I determination.

ARTICLE VIII: GRIEVANCE PROCEDURE (Cont'd.)

V. STAGE II (cont'd.)

3. The aggrieved's understanding of the Stage I determination.
 4. A description of the action requested to be taken or of the relief requested to be granted by the Superintendent.
 5. The signature of the aggrieved, which signature shall constitute a representation that the petition's contents are accurate and that it is filed in good faith for the purposes stated therein.
- C. Upon receipt of the petition, the Superintendent shall direct the administrator making the Stage I determination to submit a written response to the petition setting forth the Superintendent's understanding of the following:
1. The nature of the grievance and the essential facts relating thereto and the provisions of the contract, board policy, or administrative decision which are alleged to be involved.
 2. The dates upon which the Stage I proceeding was commenced and then determined.
 3. The determination made at Stage I and the reasons therefore.
 4. The signature of the Stage I superior, which signature shall constitute a representation that the determination made by that superior was arrived at after hearing all pertinent statements in the matter.
- D. Both the petition and the Stage I supervisor's answer thereto shall be made available to the parties concerned.

ARTICLE VIII: GRIEVANCE PROCEDURE (Cont'd.)

V. STAGE II (cont'd.)

- E. Utilizing the petition and the Stage I supervisor's answer and all other information and data, the Superintendent shall then proceed to determine the matter and shall advise the parties of that determination within fifteen (15) working days from the date upon which the petition was first filed with the Superintendent. The Superintendent's determination shall be in written form.

VI. STAGE III

- A. In the event that the aggrieved is not satisfied with the determination arrived at in Stage II, said aggrieved shall file a petition to the Board within ten (10) working days from the receipt of notification of the Stage II determination, and forthwith deliver a copy thereof to the Secretary of the Board. Failure to file a petition to the Board within the said ten (10) working days shall be deemed to constitute an abandonment of the grievance and an assent to the Stage II determination.
- B. The Board petition to be filed with the Board Secretary shall contain at least the following:
1. An incorporation by reference of the Stage II petition and answer, copies of which shall be delivered to the Board Secretary.
 2. The date upon which the aggrieved was informed of the Stage II determination.
 3. Any additional matters not otherwise set forth in the Stage II petition which the aggrieved wishes to call to the attention of the Board.
 4. A description of the action requested to be taken or the relief requested to be granted or from the Board.
 5. The signature of the aggrieved, which signature shall constitute a certification as hereinabove provided for.

ARTICLE VIII: GRIEVANCE PROCEDURE (Cont'd.)

VI. STAGE III (cont'd.)

- C. Promptly after the filing of the petition, the Superintendent shall prepare a full and complete written report of said Superintendent's findings and determination made at the Stage II level, if one has not been previously prepared; the Superintendent shall file the same with the Board and deliver a copy thereof to the aggrieved.
- D. Thereafter, the Board shall proceed to hear the matter as promptly as possible. The hearing shall be based upon the filed documents aforementioned, unless the aggrieved or the Stage II administrator requests the Board to schedule a hearing date for the presentation of other matters in which event the Board shall do so. The Board shall then render its determination of the issue or issues presented by the grievance within fifteen (15) working days from the date of the filing of all papers or, in the case of a scheduled hearing, within fifteen (15) working days from the conclusion of the hearing.
- E. The Board's determination may be rendered orally. However, the determination must be rendered in writing to the parties involved.
